Confidence, consistency, and valuable time savings.

Why choose the subscription for your organisation?

Your annual investment in the Layer 8 Champions® subscription is a low-cost route to ensuring your security champions programme is continuously connected to fresh, relevant content aligned with both company policies as well as current and emerging security risks.

- **Boost programme credibility**

When security champions receive up-to-date information year round, engagement efforts remain proactive and programme credibility stays strong.

- **Programme management made easier**

Dramatically reduce the effort of creating campaigns and from scratch. Forget last-minute deadlines and scrambling for content, the Layer 8 Champions® subscription unlocks access to one of four complete and readymade campaigns per quarter. Browse all four topics in advance to select the theme most relevant to the rest of your ongoing programme activity.

- **Keep momentum going**

Includes access to one live Human Skills session per year, hosted by Layer 8, to enrich your security champions network with essential and transferable communication, collaboration and engagement skills, proven to empower individuals and boost confidence in their role as security champion.
